Peabody at Huntington and Whitney scheduled for closure on June 23 and 24 *City of Fairfield preparing for roadway improvements*

Fairfield, California (Wednesday, June 22, 2016)—The intersection of Peabody Road at Huntington and Whitney Drives will be closed on June 23 from 10 a.m. to 1 p.m. and June 24 from 5 a.m. to noon. The intersection closure will allow for roadway improvements in anticipation of the re-opening of Peabody Road in August. The City has established a detour route that will direct bicyclists, pedestrians, and motorists around the closed intersection via Cascade and Dobe Lanes.

Driveway access for businesses and the gas station on Huntington Drive will not be impacted by the closure.

The roadway and intersection improvements are part of the construction of the Fairfield/Vacaville Train Station. For more information about the project, visit www.fairfield.ca.gov/trainstation or contact Ryan Panganiban at (707) 428-7017.
